**Notes on General Education:**  
 1) Students may choose to use support courses to satisfy general education categories, but are required to do so. **Note:** If a course is used to satisfy two or more requirements (i.e., a support course and Scientific Reasoning requirement), the credits are counted in only one place.  
 2) Courses that satisfy the general requirements must be taken from a minimum of six different academic departments. Level I Written Communication courses are exempt.  
 3) Level II & III Written Communications, Diversity, Power Dynamics, and Social Justice courses may satisfy requirements anywhere in a student's program of study where they apply.
